

How do I find my location?

Modified on: Fri, Jul 2, 2021 at 2:47 PM

1. Log in-to SOCi
2. Click on "Locations" under "Account" on the left side navigation panel.

3. Select your location (or property) name

4. Click on your Location's name in order to jump into your Location's Dashboard and get started on posting content and responding to reviews & engagements.
