Please check that all information above is correct. All Sales Are Final.

Balance Due prior to Shipping or at time of pick up.

MIE does not guarantee any final completion date at the time the order is placed or any time during the order process. MIE can only give an estimate time frame based on past experience and any time frame stated can/will change due to the vagaries of business and the need to work with/through outside contractors and suppliers that are not under KPG's direct control. Taxes and Delivery. I agree to pay any and all State and Federal Excise and Sales Taxes and any other taxes that may be imposed by either Federal, State or Local authorities which are applicable to the purchase and sale of the Mobile Grooming Salon Pick up shall take place at MIEs place of business in Collin Cty TX If I request that the Mobile Grooming Salon be shipped to another location, MIE can help arrange for a third party provide shipping services ("Third Party Shipping"). The timing of Third-Party Shipping (that is, when the Mobile Grooming Salon will be shipped and how long it will take), will be determined by the provider of the Third-Party Shipping. Third Party Shipping will be "FOB shipping point", meaning that title to the Mobile Grooming Salon shall pass to me at the shipping point and I will be responsible for the cost of such shipping, including insurance, from MIE's place of business in TX. **MIE is not responsible for any code compliance and/or permits, including electrical and plumbing requirements. Customer is responsible for final design, layout and use requirements.**

Purchaser agrees to waive their rights for compensation, relief or to litigate in any jurisdiction outside of Collin County TX where the business is located, and the work is done. Warranty, repairs, and all claims are limited to the costs involved. Attorney's fees are expressly excluded. *MIE LLC does not service or warranty any brand or model of generator.

Due to the vagaries of business stock and availability, "standard equipment" and "optional equipment" can be switched out at our discretion for replacement parts similar in cost and function or eliminated if deemed superfluous.
